Commissioner for Patents

Due to inadvertent error, the petition decision of December 14, 2006 was misinterpreted to read that the current brief was still defective when in fact it indicated that the supplemental Summary of the Claimed Invention, submitted with the Petition, overcame the outstanding objections. As such, the outstanding notice of non-compliant brief, mailed March 12, 2007, is hereby rescinded. Appropriate response to Appellant's brief on appeal will be forthcoming.
